All students participated in a jump rope activity in recognition of heart health. Funds raised will be donated to the American Heart Association.

WB Grows Vegetables: **LET YOURSELF BE VULNERABLE**

Gardening with no assurances of what will successfully grow reinforces vulnerability.

LEAD Picnic: **GET IN THE ZONE**

WTPD sponsored activity for all elementary school. Culminating activity after weeks of hard work learning about healthy habits and lifestyle.

Old Mill Elementary

The Signature Project Assembly

ACT WITH PURPOSE

Old Mill & Allenwood unite for an assembly by artist Mr. Patrick Dunning, presenting "The Signature Project"! His captivating presentation showed how his artwork is created not with brush strokes, but with signatures- now including our staff!

This assembly also reminded us that We Are All Connected!

Master Park's Black Belt America:

EMBRACE EVERY MOMENT

Master Park's Black Belt America generously donated over \$3,000 to OMS from the funds they raised with the A.C.E after school program that OMH&S hosted for students in January.

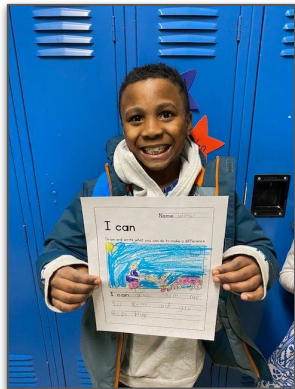

Central Elementary

*'Optical Illusions': Mr. Ronga's 3rd Graders: **Allow Yourself to Be Vulnerable***

Third graders in Mr. Ronga's class took on the challenge of crafting optical illusion drawings. Incorporating warm and cool colors along with patterns, they unleashed their creativity onto the canvas. The students explored artwork by indigenous peoples, recognizing how their handprints not only served as personal records but also as signatures on their art. Students signed their masterpiece with their handprint.

The Artwork is displayed at the newly renovated STEM wing at the Monmouth Museum in Lincroft (Brookdale Campus).

Central Elementary

Helmet Safety:

Hackensack Meridian Health provided a helmet safety assembly for our 4th and 5th graders, teaching them about the importance of wearing helmets.

Penny Wars:

Kindergarten wins! Central collected of 54,000 coins and together raised 3,800. A portion went to the MCSPCA and the remainder will go toward completing the Wish List items at their school.

Helmet Safety Assembly

Penny Wars Winners

Kindergarten was rewarded with 30 additional minutes of recess and a visit from Peaches & Cream! Thank you to CAPE for organizing this annual event.

REWIND...

Live to Give Lesson with Mrs. Crepeau:

First graders illustrated their plans to make a difference. **Live to Give in Mrs. Panuska's Class:** Posters describing the way they would embrace the mindset "Live to Give."
