Agenda

- Social Science Highlights
- Campus Climate
- Upcoming Events
- Questions/Answers

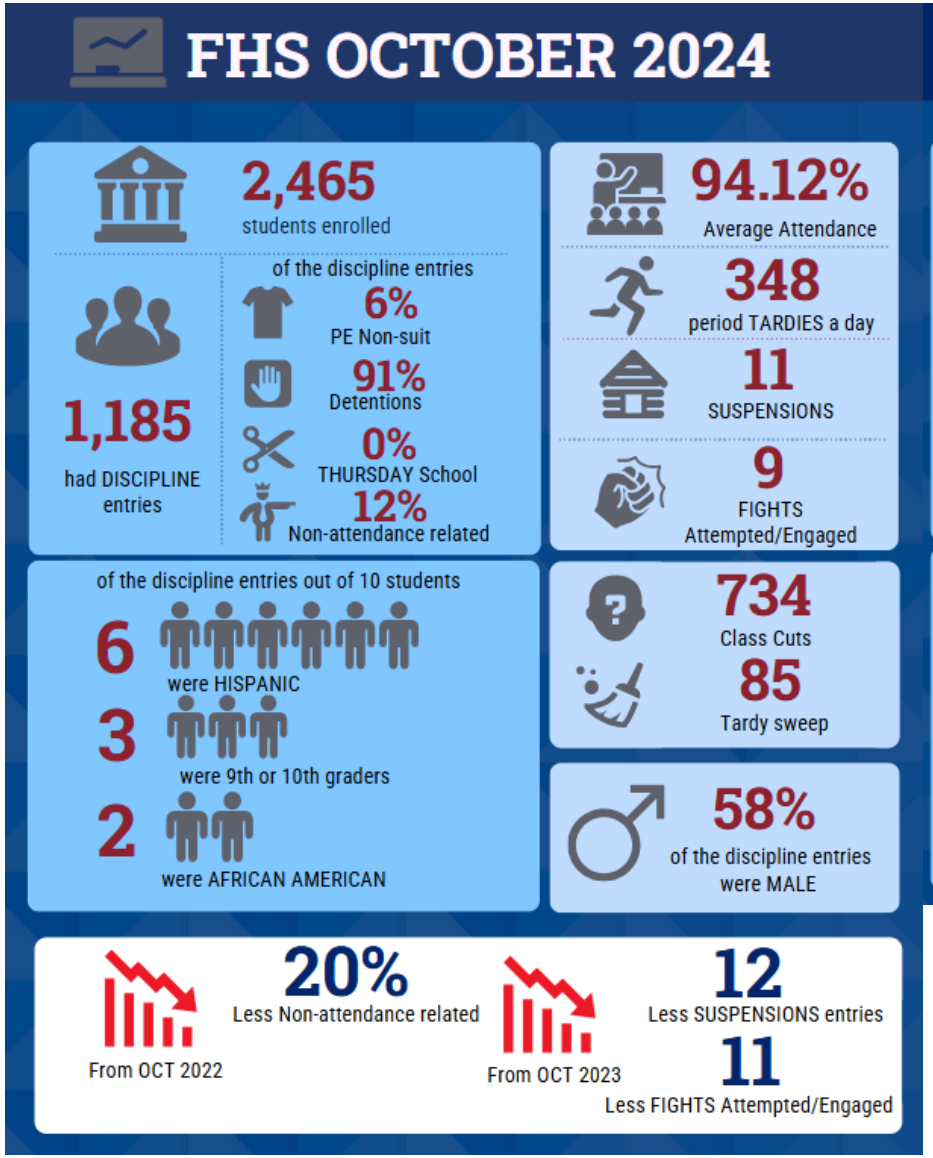

Social Science Department Highlight RSBPs Research Supported Best Practices in History

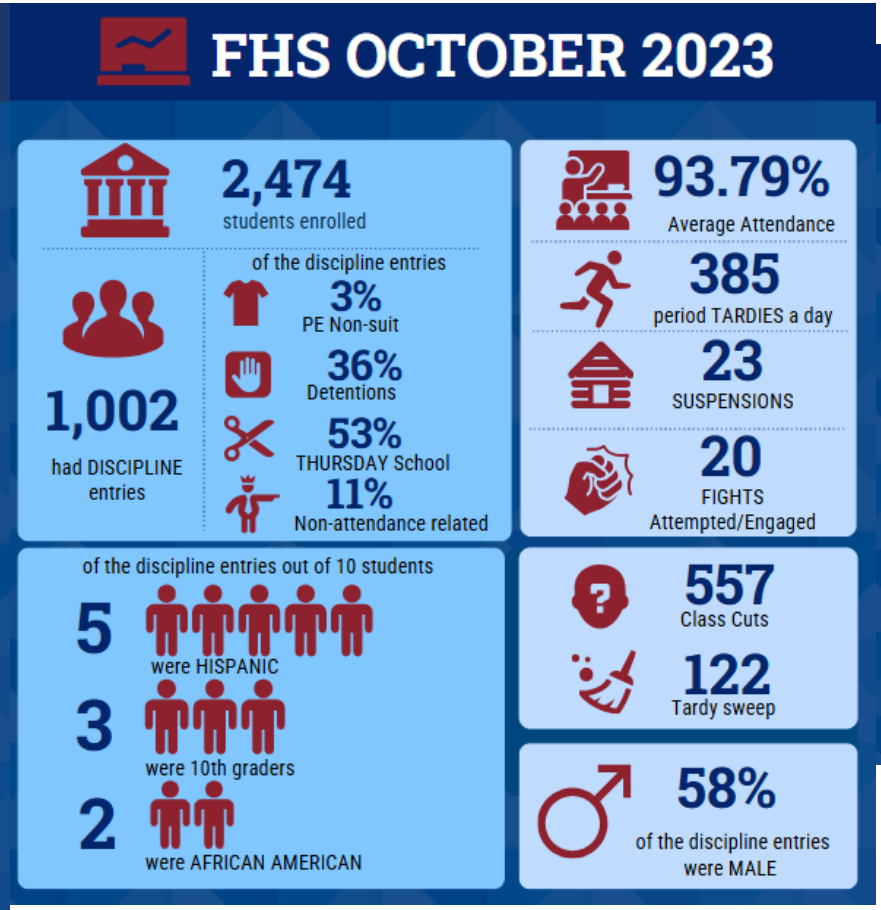

- **American Studies:** Mock Election – Adolescent Learner & Student Engagement = Students were making connections between modern day events and history
  - Angel Island Field Trip – Adolescent Learner & Student Reflection = Students had to make connections with the field trip and what they experienced with what they have been learning in class
- **World History:** Differentiation of product – using student choice to demonstrate the same success criteria
  - Students could write a short story about the Industrial Revolution, write diary entries, or make connections between contemporary music and vocabulary/concepts learned in class.
- **Model UN** – Extension opportunity for all students at FHS to engage in history and events around the world

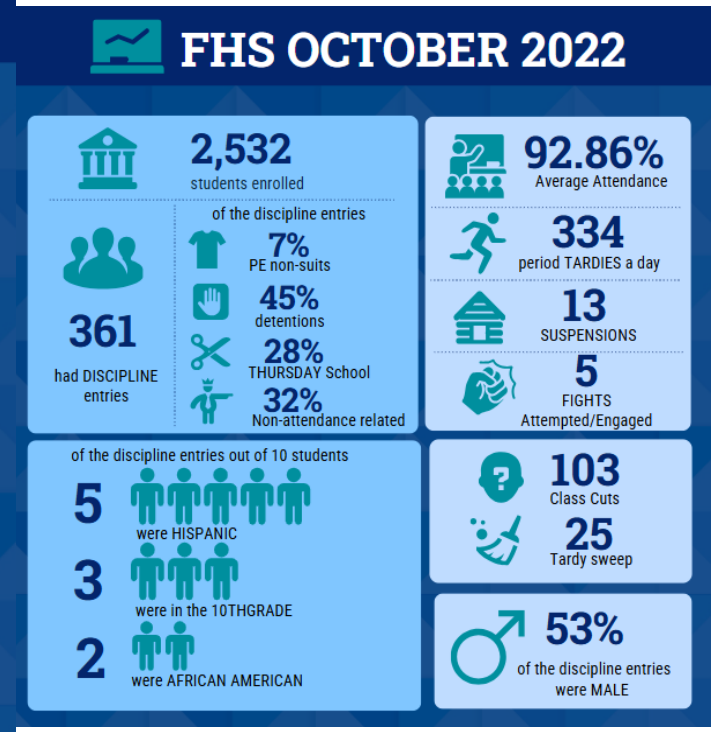

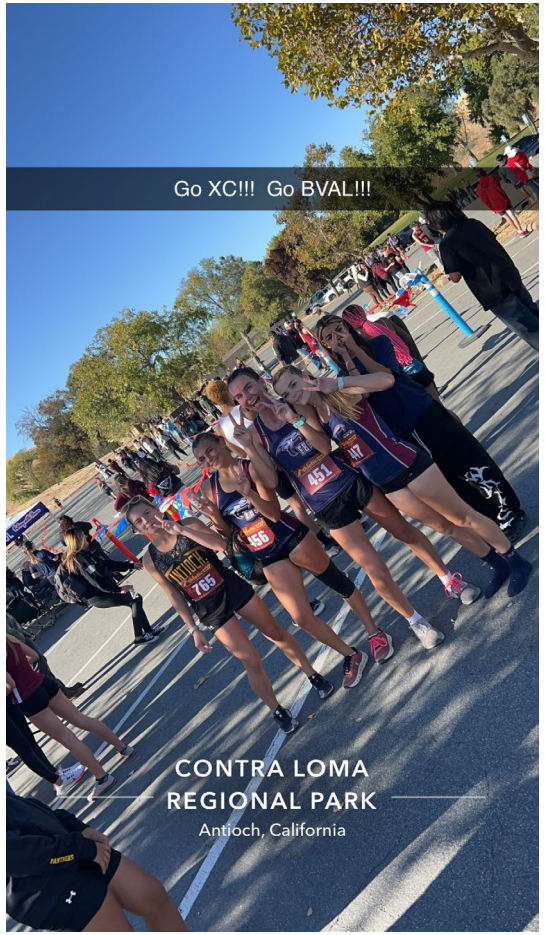

October Highlights:

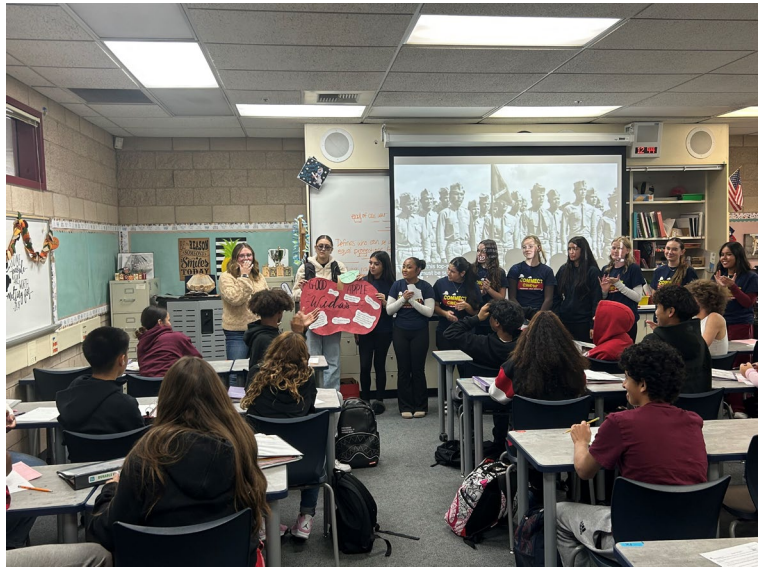

- ADA continues to increase compared to last year.
- Higher number of class cuts, but number of tardies have slightly decreased..
- PE Non Suits increased.
- Number of fights has decreased.
- Trend continues to show that Suspensions are down and AAC has increased.
- Hispanic and African American student discipline has increased.
