Subject: Parent/Guardian Involvement

The Governing Board recognizes that student achievement and conduct improve when parents/guardians are involved in the education of their children. Principals and teachers shall communicate frequently with the home in ways that encourage parental involvement. Teachers shall provide advice and directions that enable parents/guardians to help their children review, expand, and reinforce the skills/concepts that are being developed in class. The Board encourages parents/guardians to serve as volunteers in the schools and to attend student performances, parent meetings, Board meetings, advisory groups, and parent workshops. The Board is committed to expanding opportunities for direct parent interaction with the school's professional staff. Programs, such as the Quality Education Program (QEP), designed to increase the sustain parent involvement are a continual Board priority.

The schools shall offer parents/guardians opportunities to enhance parenting skills which will make home environments conducive to learning.

The schools also shall refer students and families to community resources that provide family support and educational opportunities.
