Administrative Regulation

Classification:	Business and Non-instructional Operations	Policy No.	AR 3270
Subject:	<u>Sale and Disposal of Books, Equipment and Supplies</u>	Page	1 of 2
		Effective	
		Revised	3-13-02

The Governing Board may dispose of personal property belonging to the district by any of the following methods:

1. If the Board members attending a meeting unanimously agree that the property is worth no more than \$2,500, the Board may designate any district employee to sell the property without advertising.
2. The Board may advertise for bids and either sell the property to the highest responsible bidder or reject all bids.

Notice for bids shall be posted in at least three public places in the district for at least two weeks or published at least once a week for at least two weeks in a newspaper having a general circulation in the district and, if possible, published within the district.

Property for which no qualified bid has been received may be sold, without further advertising, by the Superintendent or designee.

3. The Board may authorize the sale of the property by means of a public auction conducted by district employees, employees of other public agencies, or by contract with a private auction firm. Notice related to the auction shall be posted or published as described in item #2 above.
4. Without advertising for bids, the Board may sell the property to agencies of federal, state or local government, to any other school district, or to any agency eligible under the federal surplus property law (40 USC 484(j)(3)). In such cases, the sale price shall equal the cost of the property plus estimated cost of purchasing, storing and handling.
5. Without advertising for bids, the Board may sell or lease the property to agencies of federal, state or local government or to any other school district. In such cases, the price and terms of the sale or lease shall be fixed by the Board and approved by the County Superintendent of Schools.
6. If the Board members attending a meeting unanimously find that the value of the property is insufficient to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the Board or may be disposed of by dumping.

Money received from the sale of surplus property shall be either deposited in the district reserve or general fund or credited to the fund from which the original purchase was made.

Instructional Materials

Surplus or undistributed obsolete instructional materials that are usable for educational purposes may be donated to any governing board, county free library or other state institution; any United States public agency or institution; any nonprofit charitable organization; or children or adults in California or foreign countries for the purpose of increasing literacy. They also may be sold to any organization that agrees to use the materials for educational purposes.

6. Before the sale is finalized, the bus being sold is in compliance with all relevant provisions of the Vehicle Code and 13 CCR.
