Interscholastic Coaching Positions

If a coaching position is reduced or eliminated for financial reasons, Boosters Clubs may propose donations to replace the reduced/eliminated coaching positions with the following conditions:

1. Booster Club contributions must be a donation to the District. The Board Education determines whether or not to accept the donation.
2. A donation will designate a specific coaching position or positions. A donation will not be made for an individual.
3. Donations will be made to replace a position that has been reduced/eliminated for financial reasons. Donations will not be accepted to increase the number of coaches in specific sport.
4. If the Board accepts the donation, District personnel will hire and supervise the coach. The coach will be an employee of the District.
5. The donation will match the amount of the stipend listed on the District's Extra Duty Stipend List.
6. The donation must result in equal opportunities for girls and boys in the same sports.
