Effective 5/22/91

Revised

The Governing Board provides transportation for eligible students in accordance with board policy, administrative regulations, and state and federal law. Transportation services shall depend upon student needs and a continuing assessment of financial resources, including district funds and state reimbursements. The District shall participate as a member of East Contra Costa County Schools Transportation Department and serve as the LEA/fiscal agency for the consortium.

The school buses shall comply with inspection requirements specified in the Vehicle Code and administered by the California Highway Patrol.

The District may contract with a private carrier for transportation services whenever such an arrangement is not possible using District-owned or leased vehicles.

If a private carrier is contracted for service, the East Contra Cost County School Transportation Department will inspect vehicle and driver certification prior to a trip.
