Liberty Union High School District

Board Policy

Classification:	Students	Policy No.	**BP 5131.63**
		Page	1 of 1
		Effective	5/12/93
Subject:	Anabolic Steroids	Revised	9/14/05

The Governing Board recognizes that the use of anabolic steroids presents a serious health hazard to students. As part of the district's drug prevention and intervention efforts, the Superintendent or designee and staff shall make every effort to ensure that students do not begin or continue the use of anabolic steroids.

The Superintendent or designee shall ensure that students in grades 9-12 receive a lesson on the effects of anabolic steroids as part of their science, health, physical education or drug education program.

Students participating in athletics are prohibited from using anabolic steroids or any other performance-enhancing drugs. Coaches shall inform students about this prohibition and the dangers of using such drugs.

The Superintendent or designee shall provide teachers and coaching staff with training in the symptoms and dangers of the use of performance-enhancing substances and strategies for helping students terminate the use of such substances.
