Board Policy

Classification:	Instruction	Policy No.	BP6010
		Page	1 of 1
		Effective	3/28/90
Subject:	<u>Instructional Objectives and Accountability</u>	Revised	7/23/08

The Superintendent shall annually review strategies to improve the quality of education provided to students. The administration shall consult with the instructional staff in order to develop and maintain instructional objectives which will be in harmony with the law and Governing Board's adopted philosophy and goals.

Accountability

The Governing Board recognizes the need for continuing qualitative assessment of the progress of the educational program toward its established goals. The Superintendent shall develop and implement a systematic plan for the assessment of pupil progress which may include tests, benchmark assessments, and such other methods as may be recommended by professional judgment.

The Governing Board shall adopt local accountability standards based upon the recommendation of the Superintendent with input from the staff, community, and students. Upon adoption by the Board, the standards shall be incorporated in the instructional objectives.
