Revised

Subject: Criteria for Evaluation of Consolidated Programs

---

The Superintendent or designee shall conduct annual evaluations to determine whether supplemental services provided by consolidated programs are effective and supportive of the core curriculum. The following criteria shall be used:

1. The programs contribute to the accomplishment of specific program goals and objectives.
2. The programs have improved student reading, writing, and mathematics skills at all levels as determined by standardized normed referenced tests, standardized criterion referenced tests, and performance based assessments.
3. The programs have improved student performance in core curricular areas as addressed in the school plan.
4. The programs have improved the curriculum and instructional methodologies.
5. The programs provide a relevant coordinated curriculum, academically focused, with rigorous content.
6. The programs have affected:
  - a. Student attendance and attitudes.
  - b. Student self-esteem.
  - c. The rate of dropouts, suspensions, and expulsions.
  - d. Parent involvement.
  - e. The satisfaction of staff, parents/guardians, and students with school services and the decision-making processes.
7. The programs promote appreciation and pride in academic learning.
8. The programs teach students problem-solving and decision-making skills necessary for success throughout life.
9. The programs identify individual needs and provide instruction appropriate to those needs.
10. The programs are conducted in safe and orderly environment.
