Revised

Subject: Naming New District Schools

New schools in the Liberty Union High School District shall be named in accordance with the following criteria:

1. A title that reflects a theme of American Heritage; or
2. An inspirational title that recognizes the particular mission or purpose of the school.
3. Schools shall not be given the name of a commercial development unless the name existed in the area prior to the development.

The Governing Board shall direct the Superintendent to appoint an ad hoc committee to solicit, review, and recommend school name suggestions for the Board's final consideration. Composition of the committee will be as follows: Superintendent or designee as chairperson, will invite at least one representative from each of the following groups: Liberty Education Association, California School Employee Association Chapter #238, Management, Community-at-Large, Parent's Club, and High School Student Body. The committee will have a maximum of nine (9) members.
