Your students are encouraged to dress up to represent a career of their choice! Be sure to have closed toe shoes for PE and Recess.

Parents/approved guardians can attend field trips and accompany their own students without going through the process of becoming "official" WISD volunteers. However, if you would like to act as a chaperone on a field trip--allowing the teacher to assign a small group of students to you for monitoring/guiding on the trip--you will need to be an "official" WISD volunteer. If you haven't already done so, this is the right time to start that process! Please visit the following webpage to read about and sign up for the necessary steps to become a WISD campus volunteer and/or an off-campus field trip volunteer. Steps include a recent background search and a required 1-hour in-person training, provided by our district safety director. <https://www.wimberleyisd.net/community1/volunteer>

TAPR and Federal Report Cards for WISD and JWE can be found at this link: <https://www.wimberleyisd.net/about/accountability>

Los padres/tutores autorizados pueden asistir a excursiones y acompañar a sus propios estudiantes sin pasar por el proceso de convertirse en voluntarios "oficiales" de WISD. Sin embargo, si desea actuar como acompañante en una excursión, permitiendo que el maestro le asigne un pequeño grupo de estudiantes para monitorear/guiar durante el viaje, deberá ser un voluntario "oficial" de WISD. Si aún no lo has hecho, ¡este es el momento adecuado para comenzar ese proceso! Visite la siguiente página web para leer e inscribirse en los pasos necesarios para convertirse en voluntario del campus de WISD y/o voluntario de excursiones fuera del campus. Los pasos incluyen una búsqueda de antecedentes reciente y una capacitación en persona requerida de 1 hora, proporcionada por nuestro director de seguridad del distrito.
