

## Behavior Contract

I/We understand that my child will be expected to abide by the Lakes International Language Academy expectations for appropriate student conduct at all times as stated in the District Discipline Policy.

In order to ensure the safety of my child in attendance in the Explorer Club and/or Little Explorers Program, I/we understand that certain rules must apply to children in this program.

If a violation of the rules stated occurs, the program coordinator and director will work with the parent and child to develop a plan that addresses the behavior.

I/We understand that if my child displays any of the following behaviors, it may result in my child being suspended or expelled from Explorer Club/Little Explorers program by the director.

- Behavior which threatens the safety of children or staff.
- Behavior which directly or indirectly threatens others. This includes any form of aggression such as hitting, kicking, pushing, biting, throwing objects, verbal threats, disrespectful language, inappropriate gestures, inappropriate touching, etc.
- Behavior which prevents a staff person from fulfilling his/her ability to be available for all children, including removing self from group or program area without staff approval, or demonstrating lack of self control (anger, blatant disrespect, or absolute refusal to follow directions of staff person in charge.)
- Behavior which intentionally causes destruction of property.

I/We have read the Family Handbook and understand the Behavior Incident Report Guidelines.

I/We have read and talked about the Explorer Club/Little Explorers Behavior Contract and understand its expectations and implications.
