Assignment 1: Goto myAP: I want you to read through the appendix in the student handbook focusing on the highlighted areas. (below)

AP Physics 1 Student Workbook, Appendix

Contains the AP Physics 1 Equation Sheet, a Graphical Methods Summary, a table of Science Practices, task verbs used in the course, and tips for writing in physics; can be used with the AP Physics 1 Student Workbook or as a general learning resource.

Assignment 2 Go to Edpuzzle and watch the assigned video and answer the embedded questions.

AP Physics 1 2020 Exam Updates and Strategy!

Assignment 3 Goto MyAP and do the assigned week 4 FRQs

After you attempt the FRQ's, there are solutions for them on the youtube channel Math and Physics tutor (I chose these because I want you to get feedback... after you attempt them and have you practice uploading files to the site.)

Hope all is well and "see" you possibly Wednesday at the optional zoom meeting.
