Anti-Thomas E. Dewey Poster, 1944

OUT THE WINDOW!

Governor DEWEY wants the Hooverite-Republican nomination for president in 1944. In order to get it, he is willing to sacrifice the needs of the people of the State to gain the approval of the reactionary forces.

This is made clear in his 1944 budget which:

- **Eliminates child care**
- **Slashes school aid**
- **Decreases City funds used for welfare**
- **Turns down cost of living wage adjustment for State employes**

Write immediately to:
Governor THOMAS E. DEWEY
 The Capitol, Albany, N. Y.

Demand a budget that will meet the wartime needs of the State and guarantee your security, your children's education and the functioning and maintenance of your City during the crucial year ahead.

Issued by the GREATER NEW YORK CIO COUNCIL, 1133 BROADWAY, NEW YORK 10
