LADY REGINA WHITE

"As reigning queen of the kingdom of theatrical happenings within the realm of Freedom, order of Centre Stage, I hear by decree this document officious. The crown, eh-hem, tiara, may be game, but my reign is eternal. Please consider donating a hearty offering to the future of our realm, and be certain to laugh at any attempted humor your ladyship utters forevermore".

SIR JOHN SIERRA

"From the depths of the castle, we in the dungeon rarely cometh to the light. But doubt not that our tools are sharp and the rigging has been secured for a visual feast to delight you wicked senses. As the dungeon master, I am quite proud of the work our designers, builders, painters and technicians. We are also truly grateful for the generous support of our 'shop dads', Sir Shaun Gray and Master Mike Easter. We are eagerly anticipating the addition of an actual StageCraft class next school year, and we hope you will join us. Now, enjoy this bloody show!"

DUCHESS SIERRA REYBURN

"Bibbidi bobbidi boo! The lovely queen of the theatre, Mrs. White, was incredibly gracious in welcoming me to her realm. I have had such a grand time being fairy godmother to this lovely group of princesses, princes, kings, peasants, and so on. I look forward to being a part of this kingdom for many years to come. Thank you again to the incredible Mrs. White, Mr. Sierra, and students for being so welcoming!"
