## Agenda Items

## I. Election results

Mr. Holmes congratulated members for becoming the first annual Radio Club officers. The officers are listed as follows: Joaquin De Amorrortu as the President, Ryan Sanders as the Vice President, Neil Trehan as the Secretary, and Luke Pathe as the Treasurer.

## II. Overview of how “nets” function

Mr. Holmes encouraged the club to download the Scanner Radio Pro app. He also advised to tune in on several stations under the “nearby” category of the app when a chance arises. See the document for more information: [Scanner Radio Pro](#).

## III. Invitation to join Delta Amateur Radio Club-

The Delta Amateur Radio Club is covering information of what you can do with a Technician license- history, overview, activities, references etc. It will meet Thursday night at 7:15 p.m.

## IV. Bruce offering to buy a handheld for first HHS club member who earns their Technician License

The first member who obtains the Technician License will potentially receive a handheld.

## V. Question pool

Mr. Holmes presented a walkthrough of the “question pool” in [Hamexam](#). This is a study resource to help earn the Technician Licence.

# Concluding Thoughts

[Mr. Homes recommended to start taking a peak at hamexam.org and get a feel for the questions. He proposed 10-15 minutes per day of practice with them and to begin memorizing it.]

[Mr. Holmes shared this link regarding locations of exam sessions and remote learning information: [Exam Session Locations](#).]
