Digital Citizenship: Taught by Librarian, now will put a tip of the month in PTA newsletter

School Trust Lands and TSSA funds: Data review

- Lots of attendance issues- it is important for students to be at school
- Tier 2.5- moving a reading aide as a interventionist and hiring a new reading aide- In good financial shape

PTA: less money made during fundraiser than expected, so rethinking for next year. Maybe just tied to an event or something that only comes to our school

Next meeting: Dec 12
