SCC: Jan. 9, 2023

Attendees: Bryce and Natalie Wood, Jenifer Lewis, Jessica Gardiner, Justin Bowles, Jen Geddes, Angie Braegger and Derek Beer

Review and approve minutes: Bryce Wood moved to approve, Jess Gardiner: 2nd

School Safety Plan Review: 120 pages: focus on Standard Response Protocol- Talked through responses, DIRS app and communication tools, updated camera system and video doorbell now. District looking at a way to lock all exterior doors from the office (newer schools already have them). Have 2 AED's. Shelter in place question- would the school have food? Yes- food is delivered a week at a time, unless it's perishable food (that's daily).

Pick-Up/Drop-off: Looking at different options, but there is not a lot. We are trying just about everything.

School Trust Land and TSSA: Gathering data this week and next.

- FInancial Review: Sitting pretty well. Interviewing for more aides right now.

Update from PTA: Needed more money for normal budget- discussed ideas for future fundraisers. Maybe a QR code on the monthly newsletter? From Businesses: Raised money for the playground. Not enough for all of it, so suggestion to get the swingset in now, and then add more as money comes in. Maybe look at a tradition to build on for the yearly fundraiser?
