Questions: Contact our *Assessment Services Support Team*, 631-244-4243, scoring@esboces.org or visit our website at <https://www.esboces.org/assessment-services>.

QUESTION:

Why might I have students using PBT in grades & subjects that are CBT?

ANSWER:

Accommodated test editions. You may have students whose IEP, 504 Plan, or language needs* require they be tested on paper while other students test on the computer.

- As a reminder, accommodations would be pre-determined by the Special Education and/or ENL Departments.

*If a student with accommodations will need to take the constructed-response items on paper, **they must take the full test on paper (all parts/sessions)**.*

* Alternate Language Reminders:

- Students may only respond in an alternate language for Math and Science on a paper-based test. Only English may be used when responding on CBT.
- Our scoring vendor, OSC World, can translate and score PBT Spanish-language responses; Districts and schools will need to arrange for English translations of all other languages.
 - ESBOCES can provide information on translation services for other languages. Contact DistrictServices@esboces.org and reference “Nuestro Translation Services”.
- ELLs requiring an oral translation for a lower-incidence language [must test solely on paper](#).

We also strongly encourage schools to register for some additional PBT scoring as a back-up, in case there are technological issues.
