Monday May 9th, 2022 4:00 pm Library

I. Welcome members- Meeting started at 4:00 pm

Chairperson: Jessica Gardiner

Vice Chair: Jenifer Lewis

Secretary: Taylee Crowley

Meetings: 2nd Monday of each month @ 4:00 Library

Present: Jessica Gardner, Natalie Woods, Bryce Woods, Jenifer Lewis, Shellie Healy, Taylee Crowley, Justin Bowles

II. Review and Approval of Minutes from April 11th, 2022 approved by Bryce Wood and seconded by Jessica Gardiner

III. Trust Lands and TSSA Budget Review 2021-2022 - Shellie gave us each a copy of the updated budgets and we will have less than 10% of the budget left, which is good.

V. New Business

1. Discuss changes to TSSA budget - Part of the school math goal is to purchase ipads for the younger grades, due to the supply chain Shellie had to order the ipads NOW. She was awarded \$5,000 which was spent on the ipads and some of this year's TSSA budget. Next year's TSSA funds will be spent on a half-day teacher's salary to have a half-day teacher in fourth grade.

*Jennifer brought up that we should send a letter to the parents of this grade making them aware that there will be one half-day class next year.

*Jessica brought up putting a general school supply list on the website for grade

*Jennifer asked if the class lists could be emailed out

*Can parents bring supplies to back to school night?

2. Discuss plan for next year's election - Keep everyone on the council and add 2 more parent members.

*Follow up on the playground and field:

-Daniel (Custodian) didn't like killing the grass to make fields, brought up painting the fields

-Shellie loves the idea of turning the goals so there are two fields (hopefully this can happen)

*Celebrations focusing on growth for reading were brought up, Shellie is going to assign this to the cultural committee.

IV. Adjourn - Next Meeting: Monday August 29th, 2022
