Present: Melanie Sweet, Jessica Gardiner, Kelly Crafts, Jeffrey Sweet, Bryce Wood, Justin Bowles, Teri Rhodes, Taylee Crowley

I. Review of Minutes from September 13, 2021. - Approved by Justin and seconded by Melanie

II. Trust Lands and TSSA Budget review 2021-2022 (Mrs. Healy)

*Jessica asked if we'll have to make up the other half of the counselor's salary? The answer is no, the district will pay the other half that is not in the TSSA Budget.

*Looking to hire a new reading aide

III. New Business:

1. Crossing Guard on Highway update: Shellie got a hold of the city, but there is no bus that goes over there so having a crossing guard is not an option for this year. The city said that they will look into getting flags to cross on the crosswalk. Needs to be discussed in the future.
*Students that live on the west side of the highway can be dropped off at the church and walk from there.
*Jeffrey informed us that there are "school crosswalk" signs posted by the Maverick
2. Shellie reviewed the SNAP Plan with the council. Bryce moved to maintain the SafeRoutes and Jessica Seconded it.
3. Summary of goal progress from last year: Shellie will put the data together and email it out to the council by the 20th of October.
4. School Happenings:
 - a. A parent reached out asking if we could provide a water bottle filling station at the school. It is \$939 for a wall mounted Bottle Filling Station and \$1081.54 to have it with a drinking fountain both the Elkay brand. Shellie is going to bring this up as a fundraiser idea for the PTA. Shellie is also going to reach out to Bruce from the district to see if we can have an upgrade.
 - b. The Family Place is coming to do a Kids Empowered presentation for each grade level at the end of October. Parents are invited to come.
 - c. Eagle Eyes (student council made up of 36 sixth grade students) attended a conference about student council at the city building. They meet every Friday. Eagle Eyes wants to invite speakers from the conference to present at our

school for Red Ribbon Week.

- d. PTA swag is available to order. There are sweats, t-shirts, and sweatshirts with the 3 R's on them.
- e. CRAZE Stop the Bleed training for the White Pine Staff went really well! There is a "Stop the Bleed" kit in the lunchroom. The school's safety committee is meeting to see if they can get more kits. Shellie shared with us good tidbits from the training.
- f. School LAND Trust Training Review: Jeffrey brought up the idea of using a "mini grant" this is new! This is where you can apply for a mini grant to carry over more than 10% at the end of the year.
- g. Shellie has updated the website except for the teacher list.

V. Adjourn- Next Meeting November 8, 2021 at 4:00 pm
