11. Wellsville Mile May 20
12. Halloween is just around the corner- statement for parents and students

We know it's a very exciting time for our students. We want them to enjoy the day, but it's still an important academic day here at school as well. We would like to capture the best of both worlds. Students are welcome to wear a school friendly costume that complies with our dress code if they adhere to the following stipulations.

- No Masks or extremely heavy make-up that covers/obscures the head/face (No complete covering of the face with makeup. We need to be able to tell who the children are without much effort).
- No toy weapons.
- No Blood and Guts, "softer" characters, please.
- Costumes should not be so distracting that it interferes with teachers' instruction.
- No hand-held costume accessories, they often turn into nuisance items in the classroom and on the playground.

Council gave their nod of approval for the Halloween dress up guidelines.

13. Red Ribbon Week Oct. 28-Nov. 1 Each day is themed as usual, but only 2 of those themes are based around dress up.
14. Questions
15. Review Calendar
16. Kiesha asked for a motion to adjourn. Brooke made that motion and Jonathan seconded the motion. All in favor: Jonathan, Alyse, Kiesha Kaylyn, Brooke, Glen.
