

## Darian K Beafneaux Memorial Scholarship Award

Each year, the committee awards scholarships to students who are enrolled in construction related programs within technical, trade schools, colleges, and universities. Scholarships are awarded in the spring for the upcoming fall semester. The scholarship application period for the fall 2024 semester is now open and the application due date is Thursday, **April 3, 2025**.

This undergraduate scholarship will be awarded to five students pursuing a construction/building engineering related degree in the amount of \$2000 for a 1-year period. Applicants must be accepted or enrolled for the upcoming fall semester as a student in a technical, trade school, community college, or university and must be pursuing a residential construction related trade certification or residential construction degree.

The focus of the award is to help ensure the future of the residential building industry thrives with young adults graduating from career and technical programs and our colleges and universities will become future business owners.
