School Plan for Student Achievement  
2024-2025

This School Plan for Student Achievement (SPSA) is a plan of actions to raise the performance of all students. The SPSA contains the following:

**Needs Assessment**

- School Demographics
- English Language Arts
- Mathematics
- English Learners
- Culture/Climate Domain
- SPSA Effectiveness

**Accountability Measure I: Increase Achievement**

- Core Programs (ELA, Writing, Math)
- Interventions
- Transitions

**Accountability Measure II: School Climate**

**Accountability Measure III: Professional Development**

- Professional Development
- Teacher Involvement

**Accountability Measure IV: Parents and Community Involvement Assurances**

- School Budget for Categorical Programs
- SSC Membership
- ELAC Membership
- ELAC Recommendations
- Assurances, Approval and Signatures

The School Site Council (SSC) completed a comprehensive needs assessment, including analyses of student performance in relation to the state

academic content standards. In order to provide supplemental interventions, the SSC analyzed the academic performance of all students and subgroups, and it considered the instructional program's effectiveness for at-risk students.

The School Site Council aligns the Long Beach Unified School District's Strategic Plan and LCAP into the SPSA. The LCAP Goals are presented at: [lbschools.net/lcap](https://lbschools.net/lcap). The LCAP Federal Addendum is presented at: [lbschools.net/departments/business-and-finance/fiscal-services/state-and-federal-programs/state-and-federal-required-plans](https://lbschools.net/departments/business-and-finance/fiscal-services/state-and-federal-programs/state-and-federal-required-plans)

Education Code 52062 (4) requires that the superintendent of the school district review school plans for schools within the school district and ensure that the specific actions included in the local control and accountability plan or annual update to the local control and accountability plan are consistent with strategies included in the school plans submitted.

Progress and components of LBUSD's Strategic Plan, viewable at [lbschools.net/departments/strategic-planning](https://lbschools.net/departments/strategic-planning), are rooted in the following core values:

- Centering student needs and voice
- Authentic community engagement and collaboration
- Culture of innovation and creativity
- Diversity and inclusion
- Environment that fosters connection, respect and safety
- Equity and social justice
- Excellence and accountability through continuous improvement
- Fostering joy and commitment
- Integrity and responsible leadership

The Board of Education has set goals to help guide the district and schools:

**Goal 1: Reading: Proficiency**

The percentage of Grade 3 students who meet or exceed grade-level standards on the state English Language Arts SBAC assessment will grow from 48% in June 2023 to 70% by June 2028.

**Goal 2: Reading: Acceleration**

The percentage of students in Grades 4-8 scoring at the “Not Met” achievement level in the prior year who meet the scale score growth target on the state SBAC-English Language Arts assessment will increase from 28% in June 2023 to 60% in June 2028.

**Goal 3: Algebra Proficiency**

In pursuit of having more than 80% of Black/African American students meet the Algebra A-G requirement by the end of Grade 9, the proficiency gap between Black/African American students and all other students will decline from 5% in June 2023 to 0% by June 2028.

**Goal 4: College & Career Readiness**

In pursuit of having more than 66% of Black/African American graduating seniors A-G eligible, the proficiency gap between Black/African American students and all other students will decline from 15% in June 2023 to 0% by June 2028

In addition, the SSC recognizes following recommendations made by the District Community Advisory Committee (DCAC) and the District English Learner Advisory Committee (DELAC):

**DCAC Recommendations:**

**Recommendation 1:** Provide more parent involvement and parent education training at all schools, including sending parent participants to conferences in order to empower and train parent leaders.

**Recommendation 2:** Create and provide a more inviting, safe and welcoming climate/community atmosphere at all sites for all cultures, parents and students.

**Recommendation 3:** Re-establish district Parent Centers and encourage sites to establish a parent center/parent resource room to better engage and serve parents.

**DELAC Recommendations:**

1. Monitor the implementation of the district's comprehensive English Language Development (ELD) program in grades K-12th addressing language and academic needs of a diverse EL population from newcomers to Long Term English Learners.
2. Provide parent workshops to build capacity on specific topics such as LCFF, LCAP and SSC to better understand how each functions;
3. Continue to explore programs at sites that address the social/emotional development and well-being of all students, including English Learners
4. Expand tutoring and other intervention programs that are content-specific to meet the student's identified needs including special education students

The SSC recognizes the importance of **Parent and Family Engagement** and emphasizes LBUSD Board Policy 6020:

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that continued parent involvement in the education of children contributes greatly to student achievement and a positive school environment. For this reason, the Governing Board will have a written parent involvement policy developed jointly with and agreed upon by parents/guardians and applicable to non-Title I schools.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The district's local control and accountability plan (LCAP) shall include goals and strategies for parent/guardian involvement and family engagement, including district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, family members, and school staff on the adequacy of involvement opportunities and on barriers that may inhibit participation.

**Title I Schools**

The Superintendent or designee shall involve parents/guardians and family members in establishing district expectations and objectives for

meaningful parent/guardian and family engagement in schools supported by Title I funding, developing strategies that describe how the district will carry out each activity listed in 20 USC 6318, as contained in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians and family members. (Education Code 11503; 20 USC 6318)

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities and shall distribute at least 90 percent of those reserved funds to eligible schools, with priority given to high-need schools as defined in 20 USC 6631. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities. (20 USC 6318).

Conclusions from the needs assessment were used to prioritize supplemental programs, materials, professional development, targeted interventions, and other activities that will strengthen the school's academic achievement, close the achievement gap, and provide a safe, civil and productive school.

ELA Goals
<p>By June 2025, all Grades 3-5 students will achieve at least one year of academic growth in ELA.</p> <p>Through high-quality core instruction, teachers will continue to align their lessons with the learning targets set by the Common Core Standards in English Language Arts (ELA). They will implement Frogstastic practices daily with rigor. Furthermore, they will monitor data to adjust lessons as needed to ensure that all students succeed in achieving the Graduate Portrait of LBUSD.</p>

Comprehensive Needs Assessment: Mathematics

## Math Findings

### Grades 3-5 Goals:

One Year of Academic Growth: All students in Grades 3-5 will achieve at least one year of growth in literacy and math by June 2025.

Math: Increase the percentage of students meeting/exceeding SBAC standards from 40.7% to 55%.

### Accelerated Growth:

Math: 28.7% of students who scored Not Met or Nearly Met on the prior year's SBAC will achieve their growth target, up from 18.7%.

## Math Goals

Through high-quality core instruction, teachers will continue to align their lessons with the learning targets set by the Common Core Standards in Math. They will implement Frogstastic practices daily with rigor. Furthermore, they will monitor data to adjust lessons as needed to ensure that all students succeed in achieving the Graduate Portrait of LBUSD.

### i-Ready Math Diagnostic for Grades 1-2:

By March 2025, 48.7% of students will score Early On or Mid-Above on the i-Ready Math Diagnostic 3 assessment, up from 38.7% in March 2025.

## Comprehensive Needs Assessment: English Learners

### English Learner Findings

#### Cross-Grade Goal for K-5:

#### English Learner Progress:

50% of English Learners in Grades K-5 will make progress toward English language proficiency, as measured by the English Learner Progress Index (ELPI), by June 2025, up from 46% in June 2024.

Comprehensive Needs Assessment: Culture/Climate Domain

Culture/Climate Findings
<p>Pulse Data:</p> <p>Identity: 79%</p> <p>Belonging: 76%</p> <p>Agency: 76%</p> <p>By June 2025, cultivate and foster Identity, belonging, and agency by implementing Understanding 6 Equitable and Inclusive Learning Environments as measured by the QCI classroom observation tool. Black/African American and students who are mutliple races grade 4th and 5th students sense of personal identity, belonging and agency will be equal to or greater than all other students by June 2025 on the Pulse Survey.</p>

## Culture/Climate Goals

### Culture/Climate SEL & Harmony SMART Goals:

By June 2025, all Twain students will show at least 5% increase in identity, belonging, and agency as measured by Pulse/CORE student survey targeting students with disabilities, multiple races, black students, and ELs by using Tier 1, 2 & 3 resources/supports (ex) Harmony, assemblies, SEL week, student council, school-wide PBIS, and push-in tier 1 support.

Implement Harmony daily practices and support opportunities for students to interact with peers and participate in dialogue and decision-making about issues related to the classroom community as measured by site implementation goals and the Pulse Survey.

Student sense of belonging will increase by 5%, from 76% to 81%, student identity will increase by 5% from 79% to 84%, and student agency will increase 5% from 76% to 81% as measured by the Pulse Survey.

### Culture/Climate goal(s):

If we create a safe and equitable environment that celebrates and honors all Twain students, they will feel accepted, valued and included, resulting in a more positive outlook regarding their academic growth and progress through school-wide guidelines for success, Positive Behavior Intervention System (PBIS) supports, and Safe & Civil.

### Progress Monitoring:

Every quarter a PDSA cycle is completed; teachers submit their data and the Literacy and Math team will review, analyze and create and plan for next steps. The information is shared with teachers and next steps are announced. As each cycle progresses, teachers will adjust plans and activities as needed. By June 2025, cultivate and foster Identity, belonging, and agency by implementing Understanding 6 Equitable and Inclusive Learning Environments as measured by the QCI classroom observation tool. Black/African American grade 4th and 5th students sense of personal identity, belonging and agency will be equal to or greater than all other students by June 2025 on the Pulse Survey.

Through a school wide behavior support system teachers and school staff will implement (Harmony Goals, Twain's Guidelines for Success, and Habits of a Scholar) to embody the Graduate Portrait of Vision 2035.

Equity and Inclusion Goals by June 2025:  
 Cultivating Identity, Belonging, and Agency:  
 Foster a stronger sense of identity, belonging, and agency in students by implementing the Understanding 6 Equitable and Inclusive Learning Environments framework.  
 Progress will be monitored through the QCI classroom observation tool.  
 Equitable Sense of Identity and Belonging for Black/African American Students:  
 Ensure that Black/African American students in Grades 4 and 5 have a sense of personal identity, belonging, and agency equal to or exceeding that of all other student groups, as measured by the Pulse Survey.

### School Budget for Categorical Programs

The following site budget represents programs funded through the Consolidated Application. This Budget summary lists the funds that are to be consolidated as part of a schoolwide program. The SPSA's budgeted activities have been approved by the School Site Council and are in compliance with program regulations.

<b>Federal Programs (to Consolidate)</b>	<b>Allocation</b>
Title I (3010)	179485
Title I Parent and Family Involvement (3008)	2470

The following amounts are the school's share of Title I required and allowed reservations:

<b>Share</b>	<b>Services</b>	<b>Amount</b>
Administrative Share	Services provided to sites as part of Title I program leadership: EEP and Early Childhood Education; Additional reservation for Parent Involvement (over 1% requirement); Homeless Education; Reading Intervention/Private Schools; Research LROIX Development.	NA
Centralized Services Share	Counselors, Family Resource Centers, Facilitators, Travel/Conferences, APEX Online, Youth Orchestra Travel/Conferences, CORE	NA

<b>State Programs *</b>	<b>Allocation</b>
LCFF	35000

\* It is understood that LCFF funding is district-directed; however, in the spirit of effective stakeholder engagement and transparency, LBUSD has included LCFF activities in the SPSA.

Midyear Adjustments:

*The state projects amounts districts receive in Title I and other resources, sometimes making mid-year adjustments to the allotments as a result of the Consolidated Application. While there is often no difference in site allocations, LBUSD will notify affected principals who will announce any adjustment to the SSC.*

### **Title I Reservations**

Title I Reservations are used for required or Board-approved services. These reservations are made prior to allocations to sites and designed to provide central services to underserved, underperforming, and/or Title I schools. Listed programs and services are budgeted for the school year and may be slightly altered depending on need and budget adjustments.

### **Administrative Share & Reservations Title I Program Administration**

**Parent Involvement** (additional funds beyond the required 1%)

Parent University Staff to help families understand & access information, as well as become a true partner in education. In addition to providing parent trainings, staff works with parent engagement events, such as Education Celebration. Multilingual staff helps support parent engagement activities as well as personalizes information for non-English speaking families.

### **Homeless Education**

Provides homeless students and families with supplies (uniforms, basic needs), social service referrals, transportation, and counseling.

### **Research/TISB LROIX Development**

LROIX is LBUSD's data hub to help schools access pertinent, focused, live data; formulate needs assessments; and create effective interventions. The reservation provides personnel to maintain and develop the complex system.

### **Program Administration and Personnel to provide leadership:**

- Curriculum Instruction and Professional Development (OCIPD): DELAC and EL services
- Early Learning (CDC, Educare, Head Start) - early childhood education, personnel including pre-K teachers of subsidized programs, office assistants
- Equity Engagement and Partnerships (EEP) - parent workshops and community engagement
- State and Federal Programs (SFP): state and federal supplemental programs

### **Centralized Services**

#### **Family Resource Centers**

Services to address students' social, emotional, and behavioral needs at 32 schools, including short-term counseling. The centers work with families to connect them to community resources, school-based services and parent education workshops.

**Youth Orchestra**

Students receive music opportunities with string instruments and instruction from professional music performers on weekends.

**Assistance to Schools****Counselors**

Addresses student well-being, provides and coordinates various mental health supports, and collaborates with the site team to promote academic, behavioral or social-emotional development.

**Facilitators**

Assists in site engagement and compliance tasks to improve communication, build and strengthen community partnerships, and address goals to improve student achievement.

**Travel/Conferences**

Enables staff to develop requisite knowledge about programs they lead.

**CORE**

The CA Office to Reform Education is a partnership of large CA urban school districts. Part of the CORE collaborative is data sharing and accountability, including the CORE surveys of parents, staff and students in grades 4-12 on a range of school climate indicators.

**APEX Online**

APEX Learning program is a computerized independent learning program, coupled with teacher-directed instruction designed to assist students to address gaps in knowledge.

**Foster Youth Transportation**

Transportation services for foster youth districtwide, contracted with Los Angeles County Department of Health

**Technology**

Supplemental technology support and devices to school sites

## Assurances & Approval

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the Consolidated Application, pursuant to California Education Code, Section 64001 and the federal Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA). The SPSA's purpose is to increase the overall effectiveness of the school program by crafting a site strategic plan that maximizes the resources available to the school. The School Site Council (SSC) is required to analyze data as part of a needs assessment, develop the SPSA, which approves programs and services in support of an annual budget to promote student achievement, pursuant to California Education Code, Sections 52853 and 52855. SSC's approach to the utilization of federal resources to support underserved, underachieving students by providing interventions that are aligned with the school and district goals and promote continuous improvement.

### Assurances:

1. School Site Council received recommendations from ELAC at the following SSC meeting(s): 10/30/2024
2. The SSC approved the **Home-School Compact** on 10/02/2024
3. The SSC approved the **Parent Involvement Guidelines** on 10/02/2024
4. Our School held **two Title I Annual Parent Meetings** (input dates if a Title I school): 09/17/2024, 09/18/2024
5. SSC Participated in the Annual Evaluation of SPSA: 11/20/2024

**Attestation:**

The School Site Council (SSC), during the process of developing a compliant School Plan for Student Achievement (SPSA), ensured that quality interventions and services for underachieving students are included in the SPSA, with particular focus on student groups who led to the CSI/ATSI identification.

SSC engaged in a thorough needs assessment, based on data, in order to prioritize student needs and analyze interventions/services.

In addition, the SSC engaged in discussions about resource inequalities and was informed about the supports listed in the District's LCAP regarding our identification as a CSI/ATSI school. Resource Inequities and LBUSD's CSI section are included in this Addendum.

In approving the SPSA for the school, the SSC specifically adds this Addendum to the SPSA as part of its CSI/ATSI responsibilities.

## Support for Schools as identified in LBUSD's LCAP

### Support for Identified Schools

Support for schools is grounded in coaching and professional learning communities. LBUSD has shifted from compliance and at-a-distance supervision practices to a deeply rooted coaching orientation, partnership in addressing student achievement issues, and a strong emphasis on quality instruction in every classroom, as defined by the district's Understandings and Expectations framework. Since 2014, LBUSD District staff in an effort to better support sites has sought to enhance time spent on campuses, with leaders dedicating an average of three to five hours per month on every campus – visits that include classroom observations alongside the principal, data collection related to instructional implementation, and pedagogical guidance for teachers. Comprehensive Support and Improvement (CSI) schools receive even more intense support, particularly in areas like English Language Arts, Mathematics, and graduation rates.

One crucial area of support centers on school-level needs assessments. LBUSD's Research Office provides in-depth data tailored to each site, which are then used to develop interventions in consultation with educational partners. Academic measures include ELA and Math benchmarks, real-time grades (especially Ds and Fs), and whether students are on track to complete graduation requirements, while non-academic measures cover chronic absenteeism, suspensions, and disciplinary incidents. With assistance from district leaders, curriculum coaches, and other experts, CSI schools drill down by academic skill, by student group, and by logistical factors (e.g., the time of day and location of suspensions). Site staff receive tools and training to create “watch lists” – i.e., lists of classrooms to monitor closely and lists of students requiring further interventions. The latter is connected to phone, email, and text communication systems that can help engage families in the process.

Here are specific supports that LBUSD delivered (and will continue to provide moving forward) to help CSI schools develop their plans:

- Level office staff spent additional hours at CSI schools to help principals conduct deeper analyses on chronic absenteeism, suspensions, disciplinary incidents, and survey data related school culture and climate and social-emotional learning. Such analyses were on top of those conducted for academic measures like English Language Arts, Mathematics, and graduation rates.
- Level office staff, curriculum leaders, and other district support departments provided CSI schools with research on successful evidence-based interventions in comparable schools, both at LBUSD and other districts in California. Depending on the programs, the research included either academic studies or best practices. This information was paired with budget information, so that programs can be sustainably developed.
- Level office staff, curriculum leaders, and other district support departments assisted CSI schools with identifying resource inequities by providing reports on current staff levels, budget figures, and logistical data. Through various one-on-one meetings, sites were then guided by content experts in identifying significant resource gaps. For example, a review of a site's English Learner supports would incorporate additional teachers that might be needed, along with the instructional materials, technological software, intervention scheduling design, and other details that would help build out the program.
- Based on the research and “gap” analyses described in the two previous bullet points, level office staff, curriculum leaders, and other district support departments helped CSI schools select evidence-based interventions. Among the guiding principles that LBUSD promoted in this decision-making process is sustainability – the importance of developing high-impact programs that can be implemented in multi-year

timeframes. Given the depth of student needs, it was essential to have a long-term perspective and make adjustments along the way. LBUSD then ensured that CSI schools had training for program implementation.

- Lastly, level office staff, curriculum leaders, and other district support departments helped CSI schools establish monitoring and evaluation systems. Supports included training on how to identify appropriate data to collect (for example, student participation in interventions, related test scores, etc.), how to use LBUSD's "intervention tracker" or similar system, how to schedule data analyses alongside the site visits described above, and how to use feedback for program improvement. In some cases, LBUSD provided CSI schools with sample survey questions for gathering student, parent, and staff perspectives. LBUSD also paired CSI schools with similar partner sites so that data can be compared and promising practices can be shared.

## Monitoring and Evaluating Effectiveness

To monitor and evaluate the effectiveness of the CSI plans, quarterly visits will be conducted. These formal visitations allow site teams to reflect upon their collective efforts and engage colleagues from other schools and district departments for objective feedback. Quarterly visits will be customized by schools but follow a common structure:

- **Whole Group Briefing:** The school team (principal, teachers, and support staff) will provide background for the visit by sharing their CSI plans. They will highlight their site data, professional development activities, and key interventions. They will help visitors (Level office staff, curriculum leaders, and other district support departments) develop an understanding of their priorities.
- **Classroom Visits:** School team members and visitors (Level office staff, curriculum leaders, and other district support departments) will observe classrooms, collecting data and examples that reinforce the school's CSI plans. They will take notes, collect images, and talk to students in order to summarize their observations.
- **Whole Group Debriefing:** School team members will facilitate a debriefing that allows them to understand and affirm the site's continuous improvement efforts. They will focus not only on content delivery, teaching practices, and student actions, but also the various interventions that are being implemented to support struggling learners.
- **Principal Debriefing:** Principals and/or principal supervisors will engage in further discussion regarding next steps. This dialogue will be folded into the regular coaching work described in the previous section.

More broadly, the LROIX platform developed by LBUSD's Research Office features tools that allow district and site leaders to monitor the progress of CSI schools and their students. LROIX functions enable district & site administrators and teachers to track students who are "at-risk" across a broad spectrum of measures, including chronic absenteeism, discipline, course grades, graduation requirements, iReady growth, and high school or college readiness (as applicable). Such real-time data will be used to adjust CSI plans and develop additional interventions for struggling learners.

## Resource Inequities

Schools eligible for CSI or ATSI must identify and describe any resource inequities identified as a result of the required needs assessment. Consideration of resource inequities can inform the assessment of the effectiveness of actions in the SPSA and provide a basis for the establishment of goals and/or expected outcomes for CSI/ATSI Targeted student groups.

In our analysis of our SPSA services, our SSC found the following about resource inequalities for the targeted CSI/ATSI student groups:

- ☐ **There are no resource inequalities present in our SPSA.** Our CSI/ATSI targeted students are a priority and are receiving appropriate services/interventions through our Schoolwide Program.
- ☒ **There was evidence of resource inequalities prior to the SPSA being approved.** Our SSC made adjustments to the SPSA in order to correct the issue, and the SPSA is now providing appropriate services/interventions through our Schoolwide Program.
- ☐ **There is some evidence of resource inequalities in the current SPSA.** However, our SSC continued to make adjustments to the SPSA in order to ensure that the CSI/ATSI targeted students are being given appropriate services/interventions through our Schoolwide Program.

---

***Each student at Twain will achieve a year's growth for a year's worth of learning because we build positive relationships to empower personal, academic, and social success.***

The staff and parents/guardians at Twain Elementary School have high expectations of the students at the school and of themselves. In an effort to provide the highest quality instructional program to students, the staff and parents/guardians of Twain Elementary School agree to implement the following activities:

## THE SCHOOL

- Twain will provide a rigorous and challenging instructional program based upon the California State Standards for each grade level.
- Twain's staff will be positive role models for students.
- Twain will provide after school tutoring when resources are available.
- Twain will involve parents/guardians in the governance of the school.
- Twain will keep parents informed of their child's progress.

## THE HOME

- Parents/Guardians will send their children to school well-rested, having an opportunity to have breakfast or having had breakfast and on time every day.
- Parents/Guardians will provide a quiet place for their children to study and check his/her work.
- Parents/Guardians will talk, read or write to/with their children at least 20 minutes each night.
- Parents/Guardians will attend all teacher-requested conferences to discuss the progress of their children.

## THE STUDENT

- Students will be responsible learners by paying attention in class, reading every day, and doing their best in school.
- Students will strive to believe in their abilities, hold a positive attitude, and be a cooperative and engaged learner.
- Students will interact with teachers and peers in a positive manner.

## Mark Twain Elementary Family Involvement Guidelines

As a school that receives Title I, Part A (Title I) funds, Twain Elementary (Twain) has developed jointly with the members of School Site Council and distributed to families of participating children, School Family Involvement Guidelines, that contains information required by section 1118(b) of the Elementary and Secondary Education Act (ESEA). The Guidelines establish Twain's expectations for family involvement and describe how the school will implement a number of specific family involvement activities. The Home-School Compact is incorporated into the School Family Involvement Guidelines.

### **PART I**

Twain agrees to implement the following requirements:

- jointly develop with and distribute to families of participating children, School Family Involvement Guidelines that the school and families of participating children agree on.
- notify families about the School Family Involvement Guidelines in an understandable and uniform format and, to the extent practicable, will distribute these Guidelines to families in a language the family can understand.
- make the School Family Involvement Guidelines available to the local community.
- periodically update the School Family Involvement Guidelines to meet the changing needs of families and the school.
- adopt the school's home-school compact as a component of its School Family Involvement Guidelines.
- agrees to be governed by the following statutory definition of family involvement, and will carry out programs, activities and procedures in accordance with this definition:

### **PART II**

#### **DESCRIPTION OF HOW THE SCHOOL WILL IMPLEMENT REQUIRED SCHOOL FAMILY INVOLVEMENT GUIDELINES COMPONENTS**

1. Twain will take the following actions to involve families in the joint development and joint agreement of its School Family Involvement Guidelines and its schoolwide plan, if applicable, in an organized, ongoing, and timely way under section 1118(b) of the ESEA:
  - Attendance at one of the district trainings or school site training. Topics include:
    - i. Responsibilities & Roles of SSC and its members
    - ii. Composition of SSCs
    - iii. Budgetary considerations
    - iv. Single Plan for Student Achievement
    - v. Role of ELAC and other advisory committees
  - Plan meeting with SSC & ELAC members to review previous year's guidelines and family involvement activities outlined in the Single Plan for Student Achievement
    - i. Invite other families and stakeholders to attend the meeting
    - ii. Advertise in Title I Newsletter, at Back-to-School night, through teleparent, etc.
  - At Meeting
    - i. Review Single Plan for Student Achievement, and as a group, note changes and make adjustments (deletions or additions) as necessary
    - ii. Write or update the Family Involvement Guidelines & Home-School Compacts

- iii. Oral and written translations be made available for Spanish and Khmer families to allow for discussions
2. Twain will take the following actions to distribute to families and the local community, the school's Family Involvement Guidelines:
  - At a SSC & ELAC meeting
  - Section of Newsletter
  - Annual Title I Meeting
  - Main Office Counter
  - Back to School Night
3. Twain will periodically update its Family Involvement Guidelines to meet the changing needs of families and the school:
  - At SSC and ELAC meetings
  - Family information meetings
  - School site council must vote to approve the guidelines
4. Twain will convene an Annual Title I Public Meeting to inform families of the following:
  - The requirements of Title I, how Title I funds are used at this school, and families' right to be involved
  - Hold a flexible number of meetings at varying times
  - Notifications/fliers sent home in language families can understand
  - Announcement made on school marquee, through Schoolloop and teleparent
  - Child care provided
5. Twain will provide updated information to families about Title I programs throughout the school year:
  - Section of Newsletter
  - On Main Office Counter
  - At SSC, ELAC meetings and other family meetings (PTA/PTO/CAAP, etc.)
6. Twain will provide to families a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet. Twain will also provide opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children:
  - Family workshops; Family surveys
  - Principal chats
  - In school newsletters
  - Back-to-School night
  - At SSC & ELAC meetings
7. Twain will coordinate and integrate family involvement programs and activities with Head Start, Early Reading First, public preschools, and other programs that encourage and support families in participating more fully in early education of their children by:
  - Coordination of Transitional Kindergarten at selected sites
  - Promotion/advertisement of the District's Kindergarten festivals
8. Twain will submit to the district any family comments if the schoolwide plan under section (1114) (b) (2) is not satisfactory to families of participating children:
  - At School site council meetings

### **PART III**

### **SHARED RESPONSIBILITIES FOR HIGH STUDENT ACADEMIC ACHIEVEMENT**

1. Twain will build the schools' and families' capacity for strong family involvement, in order to ensure effective involvement of families and to support a partnership among the school involved, families, and the community to improve student academic achievement, through the following activities specifically described below:
  - District trainings offered for families and staff
  - Family education workshops on site
  - Family-Teacher Conferences
  - Family Workshops posted on district website
  - DCAC, DELAC and other district family forums/meetings
  - District website resources: click "P" for Parent University
2. Twain will incorporate the Home-School Compact as a component of its School Family Involvement Guidelines:
  - Outlines shared responsibility of home, school and student in academic achievement
  - Developed, discussed and reviewed at first SSC and ELAC meetings
  - School site council must vote to approve compact
  - Twain's Home-School Compact will be available via weekly Parent Bulletin, school website, and available in the front office.
3. Twain will, with the assistance of its district, provide assistance to families of children served by the school in understanding topics such as the following
  - the state's academic content standards
  - the state and local academic assessments including alternate assessments
4. Twain will, with the assistance of the district, provide materials and training to help families work with their children to improve their children's academic achievement, as appropriate, to foster family involvement, by:
  - Family Workshops (Literacy and Math)
5. Twain will, with the assistance of the district and families, educate its teachers and other staff, in how to reach out to, communicate with, and work with families as equal partners, by:
  - Teacher/Staff In-services
6. Twain will, to the extent feasible and appropriate, take the following actions to ensure that information related to the school and family programs, meetings, and other activities, is sent to the families of participating children in an understandable format and in a language the families can understand:
  - A district translator/other support staff will be doing the translations of written materials/notifications that are sent to families

#### **PART IV**

#### **DISCRETIONARY SCHOOL FAMILY INVOLVEMENT GUIDELINES COMPONENTS**

The School Family Involvement Guidelines may include additional paragraphs listing and describing other discretionary activities that the school, in consultation with its families, chooses to undertake to build families' capacity for involvement in the school to support their children's academic achievement, such as the following discretionary activities listed under section 1118(e) of the ESEA:

- involving families in the development of training for teachers, principals, and other educators to improve the effectiveness of that training;
- providing necessary literacy training for families from Title I, Part A funds, if the school district has exhausted all other reasonably available sources of funding for that training;
- paying reasonable and necessary expenses associated with family involvement activities, including transportation and child care costs, to enable families to participate in school-related meetings and training sessions;
- training families to enhance the involvement of other families;

- in order to maximize family involvement and participation in their children's education, arranging school meetings at a variety of times, or conducting in-home conferences between teachers or other educators, who work directly with participating children, with families who are unable to attend those conferences at school;
- adopting and implementing model approaches to improving family involvement;
- establishing a district wide family advisory council (DCAC) to provide advice on all matters related to family involvement in Title I, Part A programs;
- developing appropriate roles for community-based organizations and businesses, including faith-based organizations, in family involvement activities; and
- providing other reasonable support for family involvement activities under section 1118 as families may request.

## **PART V** **ADOPTION**

Twain's Family Involvement Guidelines have been developed jointly with, and agreed upon by, families of children participating in Title I, Part A programs. The Guidelines were adopted by the site's School Site Council members on 10/02/24 and will be in effect for the period of one school year. The school will distribute the Guidelines to all families on or before 10/31/2024. Twain, when feasible, will provide a copy of these Guidelines to families in a language the family can understand.
