February 6, 2025

Bear Family,

This week, we wrapped up midterm exams and officially began the second semester. Our winter athletic programs have completed their county tournaments and many of our teams are preparing for the playoffs. A special congratulations to our girls' swim team for winning their third consecutive GMC championship, girls' wrestling winning the Red Division (and currently ranked #11 in the state!), and boys' wrestling won the Brunswick Brawl for the third year in a row! We are also at the point in the year where we are now scheduling for the 2025-2026 school year. It is encouraged that you review your child's course selections before the parent access scheduling window closes on February 24th. Finally, I want to extend a congratulations to our seniors as they continue to commit to their post-secondary plans!

National School Counseling Week:

National School Counseling Week is this week and it's the perfect time to show our appreciation for the incredible work of our School Counselors and Student Assistance Specialists. From supporting students' academic success to guiding them through personal challenges, our counselors make a meaningful impact every day.

We invite you to take a moment during this special week to send an email of appreciation to a Counselor you and your child have worked with, either this year or in previous years. Whether it's a quick note of gratitude or a heartfelt message, your kind words will be a wonderful way to acknowledge their dedication. Click [this link](#) to find a list of names and email addresses of our current counselors.

NA Presentation:

EBHS Student Assistance Specialists will be welcoming the group, Narcotics Anonymous (NA), to speak with our Juniors on February 11th and 12th during their gym/health classes. Members of NA will be telling their true stories to inform our students how drugs and alcohol have negatively impacted their lives and how our students can get help if they are struggling with substance use.

NJGPA: This is just a friendly reminder that the New Jersey Graduation Proficiency Assessment is scheduled for next month. Additional information about the NJGPA can be found in [this letter](#).

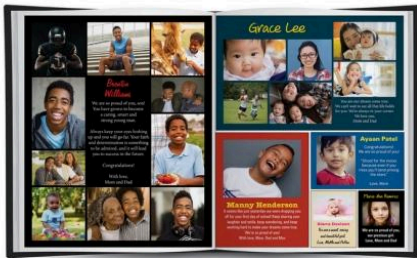

Tutoring:

Drop-in tutoring is available at the high school every Tuesday, Wednesday, and Thursday in ELA, Math, and Science.

East Brunswick Public Library subscribes to Tutor.com (which is owned by The Princeton Review). It is open to all ages and available from 3 p.m. to 10 p.m. every day. It is free to anyone with an East Brunswick Public Library card. The link to sign-up is here: Tutor.com Learning Suite - Authentication. There are no appointments needed, a student can simply log in and search for the subjects or test areas they are interested in and connect with a tutor for live help. They can also submit papers or math problems for tutors to review and respond to. Details are also here: <https://ilove.ebpl.org/tutorcom>

School Nurse:

Please see the [Nurses' website](#) for information on when to keep your child home from school as we continue to work through the cold and flu season.
