JUMPSTART YOUR WEIGHT LOSS JOURNEY

The **Get Fit Now** program is designed for people struggling with weight loss when diet and exercise are not enough, or simply not working. **KORB Health** has partnered with Texas charter schools to offer discounted access to thier weight loss program. This program is available to charter school employees, board members, volunteers and their families serving Texas charter schools.

HOW DOES IT WORK?

The program includes medications that are GLP-1 agonist (i.e. Semaglutide) for appropriate candidates. They work by curbing hunger, making you feel fuller faster and longer. Studies show average weight loss to be 15% of your total body weight.*

AVAILABLE MEDICATION

Semaglutide

Same active ingredient as Ozempic**
