

Subject: Invitation to Participate in a Parent Focus Group for SEL Curriculum Review

Dear Parent/Caregiver,

We are excited to invite you to participate in an upcoming focus group to provide valuable input on our Social-Emotional Learning (SEL) needs. As part of our ongoing efforts to enhance the educational experience for all students, your perspective as a parent is essential in identifying a curriculum to best meet the needs of our students and community.

Why Your Input Matters:

Your experiences, feedback, and suggestions will help us ensure that our SEL curriculum supports the emotional, social, and academic growth of our students. This is an opportunity for you to have a direct impact on how we approach SEL education and how it is integrated into the school experience.

Why Participate?

Your feedback will play a critical role in refining our SEL curriculum and ensuring it aligns with the values and needs of our community. Plus, it's a great way to connect with other parents and contribute to the school's educational mission.
