Important Reminders:

- Eastern Suffolk BOCES facilitates the intake of tests from across Suffolk County for districts and schools who selected *Optimum Solutions Corp (OSC World)* as their scoring vendor/Lead Scoring Entity when ordering tests from the state this past fall.
- OSC will score your Paper-Based Tests (PBT) **only if** the school is also registered for OSC to score their Computer-Based Tests (CBT).
- If you register for the scoring of CBT in a grade-level, **you must also register for some PBT** for the same grade-level and subject. Districts are asked to anticipate and register for potential PBT test counts that may be necessary due to accommodations and special circumstances. *Districts will only be billed for actual tests scored.*
  - As a reminder, the Science Computer-Based Tests will again be scored by the state's vendor (NWEA), however schools need to anticipate and register for the full-service scoring of their Paper-Based Science Tests if utilizing our services.
- This year, for the Mathematics 3-8 and Science 5 & 8 assessments, **all alternate languages other than Spanish must be translated into English in-district**. Any students who will be responding to constructed-response questions in a language other than English **must be tested using PBT** assessments.
