LAS Links Spring User Meeting

Friday, March 14, 2025

9:00am-10:00am

The user meeting will take place virtually.

A virtual link will be emailed to those who register prior to the session.

The Spring LAS Links User Meeting will review longitudinal data from the LAS Links Fall and Spring progress monitoring sessions. The purpose is to track student growth/regression from both testing events, to understand which domains and strands to target instruction in preparation for the NYSESLAT. The final portion will be an open Q and A to review any questions and open up for discussion to support best practices.

AGENDA

- **Review the LAS Links alignment to NY standards, and how the proficiency levels correlate to NYSESLAT**
- ***Practice Activity***
- **Generate the Longitudinal Roster Report and Student Dashboard within DRC INSIGHT**
- **Identify LAS Links Instructional Strategies to support language acquisition**
- ***Practice Activity***
- **Questions & Answers**

Advance Registration is Required

To register, please click on the above session time. If you need assistance, or have any questions, please contact Sarah Springer at 631-218-4142.
