¹ This is a need-based scholarship program for eligible high school students who reside outside of Arizona entering GCU for the first time. To be eligible, students must qualify to receive the maximum Pell Grant amount as determined by completing the Free Application for Federal Student Aid (FAFSA) and submitting to GCU (School Code 01074). Students must also have a minimum of a 3.0 unweighted high school GPA. This scholarship covers the remaining cost, after the Pell Grant award and all other GCU institutional aid is applied, to attend GCU for tuition. This award does not cover fees, program premiums, health insurance premiums and room and food (Dining Dollars) expenses. This scholarship is renewable for up to eight semesters so long as you maintain maximum Pell Grant award eligibility and remain admissible with GCU. This scholarship is not subject to the University CAP policy.

² Students who receive outside scholarship or aid not awarded by GCU can apply their outside scholarship aid to their food and housing charges. If there are no food and housing charges to apply to, the outside aid will reduce the amount of the Canyon Rising award.

³ Based on suite-style, triple occupancy room plus the residence hall minimum meal plan (Canyon \$1,700 Dining Dollars per semester). Prices are subject to change.
