Proudly Presents

The 2025 Athletic Awards Ceremony

JUNE 12, 2025 AT 6:00 PM

***Churchville-Chili
Performing Arts Center***

Message from Our Athletic Director

.....

Congratulations to all of our student-athletes, especially those in the graduating class of 2025. Thank you for your dedication, effort, energy, and the additions you have made to our school history. We have had many success stories this year which are the result of your perseverance and hard work.

Our success and ability to participate in athletics is not only attributed to the talented student-athletes. The overall athletic “team” has played a very vital role. This team includes our coaching staff, trainer, our Sports Booster Club, parents, spectators, technology staff, maintenance staff, grounds crew, custodians, transportation department, security staff, game personnel, our administrative team, Board of Education, and a host of others. The commitment on behalf of the entire team is what gives our programs and ultimately our whole school district a good name. I thank all of you very much for your countless hours of service and support to our programs.

I wish you all much success, health, and happiness in all of your future endeavors. Continue to strive for excellence in all you do. It is my sincere hope that you are all able to look back on your athletic memories in a positive manner. I hope you had a first class positive experience and that the memories you made with your teammates will last you a lifetime.

Sincerely,

A handwritten signature in cursive script that reads "Michael Murray". There is a small star symbol above the letter 'i' in "Michael".

Mr. Murray
*Director of Health, Physical Education
and Athletics*
