Fee waivers and reductions shall be granted to students whose families would have difficulty paying because of their low income. For students and families participating in the national school lunch program, the school breakfast program, or both, the USDA Child Nutrition Program guidelines shall be used to determine qualification for a fee waiver or reduction. The district will annually distribute and collect information and an application for all households of children in kindergarten through grade eight to determine student eligibility for free or reduce-price meals in compliance with chapter 28A.235 RCW, Policy 6700, and Procedure 6700P.
