Dear Parent/Carer

Arrangement for Saturday 1st March – Navigation Walk

We have had a change to the original destination for our navigation walk on Saturday 1st March. The walk will take place at Napton Sports Field, Priors Marston Road, Napton, Warwickshire CV47 8PH as Chase Expeditions who will be leading the day have confirmed that this is a much larger area, giving the groups the opportunity to go off in different directions.

It will be necessary for you to arrange to get your son/daughter to the location and collect and would suggest where possible to car share to make this easier. Please let me know if you feel you have any difficulty with getting there or back. Start time is normally 09:00am so we ask that students arrive by 8:30am and collection would be approximately 3:00pm. I will confirm these times with you as soon as I have them confirmed.

On the day of the walk, participants will need to be wearing/have with them:

- Waterproofs (coat, trousers if necessary)
- Walking boots
- Small ruck sack containing, packed lunch, drinks, first aid items such as plasters
- Warm clothing

For this initial walk, you are not required to have the full walking kit, just what I have listed above.

Please can you complete the Bilton School medical form by Friday 14th February; using the link below or scanning the QR code.
