CURRENT ENROLLMENT AND CAPACITY

Building	Current Capacity	Optimal Capacity
SC Primary School	510	400
SC Elementary School	980	912
SC Middle School	760	600

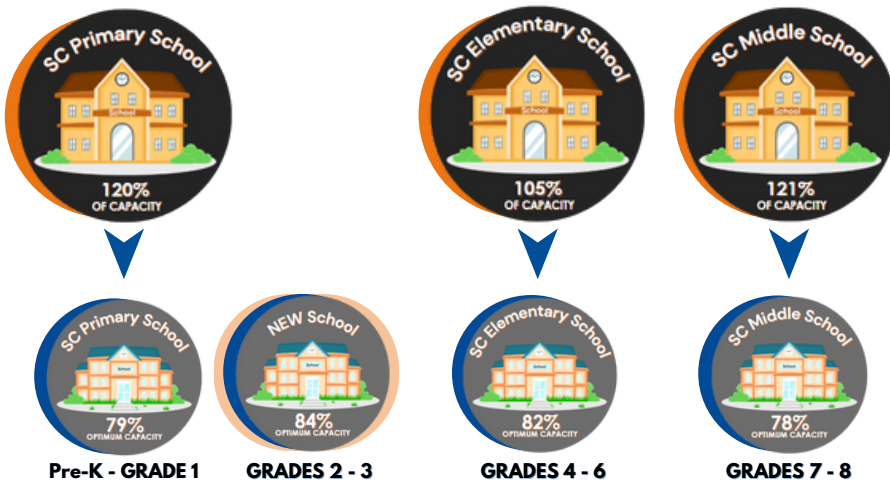

EDUCATIONAL NEEDS AND PRIMARY OBJECTIVES

1. Accommodate current enrollment needs at the PK-8 levels.
2. Forward thinking for increased student growth and program needs (PreK & SpEd).
3. Relieve congestion on main campus for arrival, dismissal and events.
4. Expand District-Wide opportunities with Multi-Use Fieldhouse.

PROPOSED SOLUTIONS TO MEET NEEDS

- 1 Grade level reconfiguration to increase student capacity for current and future growth
- 2 **SCPS** Addition for Grades Pre-K through Grade 1
- 3 New Elementary School (Grades 2-3 for expansion and overcrowding)
- 4 Minimal work at **SCES** and **SCMS**
- 5 Priority District Wide Improvements - Preventative Maintenance
- 6 Multi-Use Fieldhouse on **SCSC Main Campus** - to support current needs & added programs
