

# Liberty Common High School College Guide for Students With 504/IEP Plans

The Liberty Common School Academic Support Team, in collaboration with parents and teachers, will provide targeted academic support and intervention to ensure all Liberty Common students have access to the contextual body of organized knowledge, the values of a democratic society, and the skills of learning taught at Liberty Common School.

## **Foundational beliefs:**

- All students can learn and achieve at high levels.
- Students' needs should be met in the general education setting to the greatest extent possible.
- Parents have vast knowledge about their children and should be involved in all aspects of their education.
- The effectiveness of any educational strategy must be monitored and evaluated frequently.

## **Online Resources for families considering college after high school:**

## **How is your 504/IEP accommodations transfer to college?**

- There is no Special Education at the college level. Educational rights covered by IDEA (Individuals with Disabilities Education Act) do not apply to postsecondary education.
- Colleges must comply with ADA (Americans with Disabilities Act), Section 504 of the Rehabilitation Act and the civil Rights Restoration Act.
- College students have civil rights, but not "education" rights.
- Please be aware that documentation policies differ from one institution to another.

[Click here](#) for a full description of how accommodations transfer to colleges.

If you would like a comprehensive list of colleges that support students with Learning Differences, please contact Diane Campbell.
