

Gender Neutral Restrooms

The District hereby designates all single-occupancy restrooms located in its schools as gender-neutral. Such gender-neutral restrooms shall be clearly designated with signage on or near the entry door of each facility. The school shall remove signage from any and all existing single-occupancy restrooms which designate the restroom as “male” or “female.” These signs shall be replaced with signage indicating the restroom is open to people of all genders. Existing single-occupant restrooms labeled as “unisex” may remain, and no additional signage is required.

All single-occupant restrooms utilized by students in grades 6-12 shall have feminine hygiene products available. This requirement shall not apply to single-occupant restrooms designated for staff use only.
