Healthcare Careers 360 Website Activity

TEACHER'S GUIDE

Healthcare360.web.app is a website resource for children to learn about the variety of career paths that exist in the broader healthcare field.

It can be accessed by entering this into a browser address bar:

healthcare360.web.app

Compatible with computers & mobile devices

Learning Opportunity:

This activity aligns with the ***Illinois PaCE Postsecondary and Career Expectations*** framework.

Objectives:

The learner will be able to…

1. identify which career(s) appealed to them most.
2. describe what interested them most about that career(s).
3. identify the difference between a resume and a cover letter.
4. describe why they would be ideally suited for a specific career.

Activities Overview:

- Explore Careers & Scavenger Hunt: (30 mins)
  - Students will navigate the website to learn about a variety of careers.
  - They will optionally locate as many items as possible for the scavenger hunt activity
  - They will complete (watch all videos) on a minimum amount of careers.

- *'Apply to a Career'* Assessment: (10 mins)
  - Students will complete the 'Apply to a Career' activity.

Healthcare Careers 360 Website Activity

Discover the many different careers within the healthcare field.
