

CHS Scheduling Overview

Students will be receiving a scheduling packet in advisory that will be used in conjunction with our online resources. We encourage students to follow the four steps for course registration:

1. Consider your career interests or pathways by reviewing your Naviance information. This information can be accessed through Clever (www.clever.com) by signing in with your Centerville Google account.
2. Review your graduation progress report that you should receive *from your advisor*. This will help you determine classes that you need to meet graduation.

Graduation Progress Report for Sample Student Advisor:

Students in the classes of 2023 and beyond have three main requirements for graduation: earning credits, demonstrating competency, and demonstrating readiness. This report shows the student's progress toward meeting these criteria for these requirements through the most typical pathways to graduation.

1. Credits for Graduation

Academic Area	Total Earned and Attempting	Credit Required	Need to Earn
English	2	4	2
Math - Alg II or equivalent	1	1	0
Math - other than Alg II or equivalent	2	3	1
Science - Life Science	1	1	0
Science - Physical	1	1	0
Science - Other	0	1	1

College-Ready Seal			

4. Login to HAC during the scheduling window to complete your course request process.

For additional information, navigate to the Centerville High School page (chs.centerville.k12.oh.us) Click on the guidance tab across the top. From the drop down menu, select Scheduling Resources.

Scheduling Resources

The four years of high school are an exciting part of your educational journey! The choices you make now can lead to successful and enjoyable careers and experiences later in life. Students and their families should put time and thought into their school schedule each year. Start by accessing the tools in **Naviance** to connect your interests and strengths with college and career exploration. Then use the resources here to explore more than 200 classes to help you develop your academic strengths, personal interests, and career dreams and goals!

The **Scheduling Resources** tab has scheduling timelines and information by grade level.

Each grade level will have a scheduling video and a copy of the scheduling packet. The scheduling packet includes a sample graduation progress report and a blank four year graduation plan. Students receive their graduation progress report and four year plan in advisory. These are the tools used to prepare for entering course requests in Home Access Center. Additionally, you will find information about our AP courses, Career Tech courses, and college credit plus opportunities.

The **Course Descriptions** tab allows you to search by grade level or by content area to see course descriptions and credits. This is also where students can view the course codes, or complete a keyword search to find courses. If you prefer, you can click on the PDF version of the course of studies to see a complete listing of all courses by Department.

The **Graduation Requirements** page has graduation requirements and information on earning an honors diploma.

The **Summer School** tab will display summer school information, including the times and dates associated with registration as well as the classes that will be offered
