

**Elizabethtown Area School District  
Scope & Sequence - Quick Reference**

---

**Department:** Art

**Course:** Painting III

**Grade Level(s):** 10-12

**Course Description:** This course is open for all high school students who have successfully completed Painting II. This course will further emphasize the advanced methods introduced in Painting II with more independent choices of the painting media and styles used for completing the assignments. Students will use their imagination and creativity to complete a variety of self-promoted ideas and messages. Studies will reference artists, art works, and styles. Critical analysis and interpretation of art works will be included.
