

**Elizabethtown Area School District
Scope & Sequence - Quick Reference**

Department: Art

Course: Sculpture II

Grade Level(s): 10-12

Course Description: This course builds upon the skills, techniques, and concepts of Sculpture I while challenging students to push their sculptural objects past their comfort zone. Students will explore increasingly complex ways of engaging with space that will challenge them to pair material and process to emphasize ideas within the work. Students will be introduced to new and diverse master artists works within various sculptural media.
