Kalispell Education Foundation needs your nominations for Middle School Educator of the year!

What is Kalispell Education Foundation and the Educator of the Year awards?

Kalispell Education Foundation (KEF) is a local non-profit dedicated to supporting the students and teachers of Kalispell Public Schools (KPS). Our Educator of the Year awards, sponsored by Stockman Bank, celebrate the wonderful and critical work our KPS teachers do for our kids.

One educator at the High School, Middle School, and Elementary School level will receive this honor along with a \$1,000 check for their classroom and a \$250 gift card for downtown Kalispell businesses. Additionally, with your permission, we anonymously share the submissions with each educator nominated, so, even if they don't win, your appreciation is still communicated! We are excited to celebrate and highlight the truly outstanding work done by our KPS staff and look forward to your input!

How to Participate

We are now open for nominations for Middle School Educator of the Year. Students, families, community members, and KPS staff are invited to nominate an outstanding educator by clicking on the link below. Your nomination will be reviewed anonymously, without names or other identifying information, by our KEF Student Board. All submissions must be received by 5pm on February 21st, 2025. The recipient will be named in early March.
