

**Elizabethtown Area School District
Scope & Sequence - Quick Reference**

Department: World Language

Course: French III

Grade Level(s): 10-12

Course Description: This is a CI (Comprehensible Input) course that reviews the structures learned in French I and II, emphasizing the use of more complex styles of speech and writing. It will expand reading, writing, listening, and speaking in context mainly through the exploration of stories and discussions that increase in difficulty and utilize high-frequency vocabulary and grammar in French with increased emphasis on speaking.
