

Elizabethtown Area School District  
Scope & Sequence - Quick Reference

---

**Department:** Math

**Course:** AP Calculus AB

**Grade Level(s):** 10-12

**Course Description:** This weighted course will cover the topics of a regular calculus course but will include a more in-depth study of the material. Upon successful completion of this course, students choosing to take the AP exam, scoring three or above, may receive college credit from participating colleges and universities. A graphing calculator is required for this course. (A TI-83 or TI-84 is the recommended calculator.)
