

# Horsense: Equestrian Youth Riding Camp

---

---

*“The greatest benefit of Horsense is the opportunity to learn leadership skills and gain self confidence. You have to have that in order to get through life.”*

*Janessa Dixon  
Junior Ride Crew Volunteer*

We would like to invite 4th or 5th grade students to participate in the Horsense Youth Equestrian Camp, a 5-week long program held Saturday mornings at MacDonald’s Ranch.

Camp dates: March 1, 8, 15, 22, 29

Time: 9:00am - 12 noon

Breakfast will be served between 9:15-9:30.

Location: MacDonald’s Ranch (Scottsdale Rd. and Jomax)

Horsense is an equestrian youth riding camp designed for students aged 9-11 years old. This outreach program is operated by Health World and sponsored by the Scottsdale Charros and MacDonald’s Ranch. Campers will learn basic riding, safety, and care of horses and participate in presentations from Liberty Wildlife, Phoenix Herpetological Sanctuary, and the Scottsdale Fire Department!

We’re extending this opportunity to 4th or 5th graders. Space is limited. There is no cost to attend; students just need to be transported to and from the Horsense Campsite at MacDonald’s Ranch.

To register your child, please visit [www.horsense.org](http://www.horsense.org) and fill out the camper form or email [sarah@healthworldeducation.org](mailto:sarah@healthworldeducation.org).
