

Community Partnerships with PUSD

Prescott Unified School is the center of our community in many ways. In addition to being the schools of choice for over ¾ of our local families, PUSD schools partner with dozens of other local organizations to provide services for Prescott area families. **Each of the organizations below has an ongoing partnership with PUSD; providing significant service or donations, and/or benefitting from PUSD facilities, PUSD expertise, or other resources.** Just as it is hard for us to imagine us being successful without support from these organizations, many of these groups depend in part on PUSD for their success.
