The Minor, City, and Dixie Leagues are for young people to have a wholesome recreational outlet through playing baseball. The intent of the program is to teach sportsmanship, teamwork, cooperation, discipline, and fair play. With these ideals in mind, it is incumbent on the parents to assist with these goals. While parents are an integral part of the program, there have been situations in which parents have not displayed the ideals of the program is trying to teach. To establish guidelines for parents, the following is a list of rules to which the parents must adhere:

1. Parents must not display any unsportsmanlike or inappropriate behavior at any time.
2. The Youth Baseball Committee will administer all league functions. The parents must address the Board to deal with any problems that they may have with the league. No subversive bickering that adversely affects the league will be tolerated.
3. Derogatory or abusive statements or actions to league supervisors, umpires, or coaches will **NOT** be tolerated.
4. Fan enthusiasm at games is encouraged, however, if fan enthusiasm evolves to a point where the opposing teams are embarrassed or ridiculed, at that time removal from the park will be mandated.
5. If any of these rules are violated, the Committee to commensurate with the violation will enact penalties. Penalties will be at the Discretion of the Committee and may include any action legally possible on parents as well as removal of players from the Recreation Department activities.

**PLAYERS WILL BE REMOVED FROM THE PROGRAMS BECAUSE OF RULE VIOLATIONS OF THEIR PARENTS**

It is hoped that these rules need not be enforced; however, the Committee feels that it is imperative that stringent rules be followed in order to ensure our children will be given the best positive lessons from the baseball program. If anyone feels that they cannot comply with the above rules, parents and youths should pursue other forms of recreation. Fundraising is a very important part of the program in that it provides financing for league play, field maintenance, capital projects and all-stars. Throughout the year, you and your child will be asked to assist with these fundraising efforts. Your cooperation would be greatly appreciated.
