

## For PowerSchool Guardians

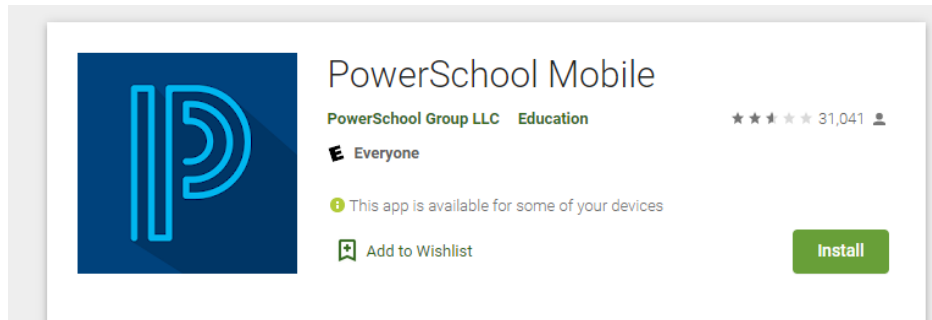

### Creating Parent PowerSchool Login for Web and Phone App

To log into the PowerSchool Parent Portal, you need your student's Access Account ID (lunch number) and Password.

- School staff can find this for you on the "Access Accounts" page in PowerSchool.
- For guardians, this is in the Welcome Letter we can print for you.

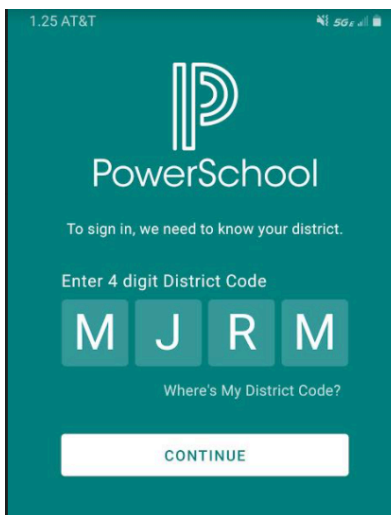

You can access the portal either online or through the phone App.

- If using the App, be sure to download it before getting to the following instructions.

## Get Going with the PowerSchool App

1. After you have the App installed on your phone, it'll ask you for the District's four-digit code.
  - a. TPS's code: **MJRM**.
  - b. You can also search for our school to find it.
    - i. TPS is under Oklahoma as: **Independent School District No. 1**

If you are NOT using the App, follow [this](#) link to access the portal using a laptop.

## Setting Up Your Account

Select “Create Account” in the header and click the “Create Account” again.

- Enter your first and last name, along with an email address.
- Enter the desired Username - no apostrophes and no email addresses here.
- Enter and Re-Enter a Password.

Student Name	<input type="text"/>	
Access ID	<input type="text"/>	
Access Password	<input type="password"/>	

**Verify your email before accessing your account.**

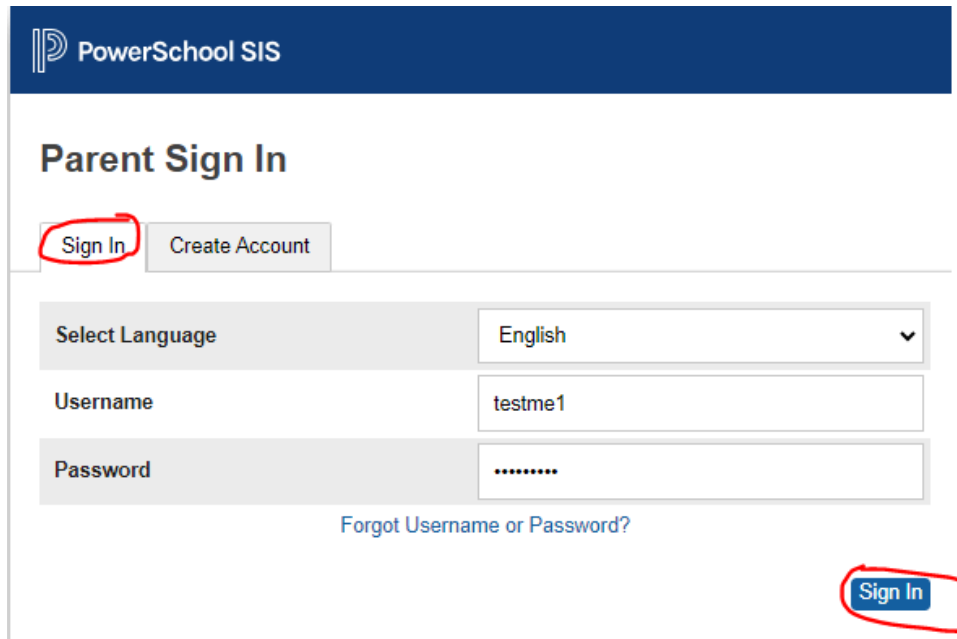

- You'll receive an email to verify your account.
- This is often a bottleneck for guardians. They can't log in until they verify their account.

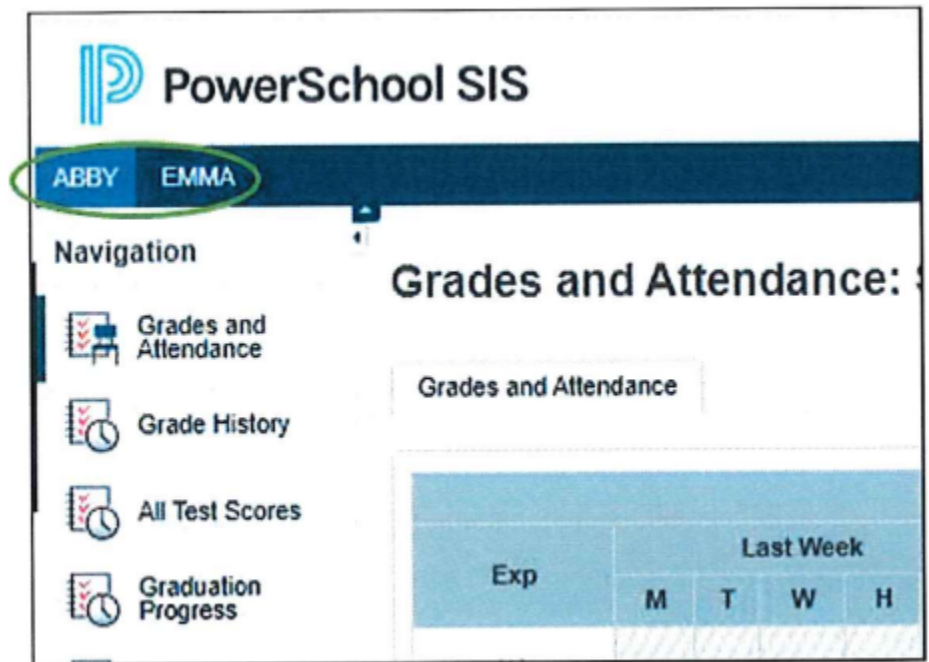

Now, you can log in to the App or Online via the URL:

[https://powerschool.tulaschools.org/.](https://powerschool.tulaschools.org/)

You'll need to input your user credentials you created earlier, and it should bring you to your student.

After successfully logging in, you will see a series of tabs under the PowerSchool logo listing the students you linked to your parent portal account.

Select the appropriate name to view that student's information.
