RE: Updates to Service & Driver Information

The following adjustments have been made to WCUUSD bus routes:

- U3/U4 Morning Route: The U4 morning route has been added to the end of the U3 route resulting in timing adjustments for both Berlin and U-32.
- U4 Afternoon Route: A new driver from First Student has been assigned to this route, as it cannot be combined with any other route.
- U6 Morning Route (U-32 and Rumney): Students have been reassigned between U5 and U7, leading to larger cluster stops. As a result, some of the back roads including Hampshire Hill, Minister Brook, Portal Road, and South Bear Swamp will not be serviced. The bus company has tested the revised routes and believes they are feasible, though timing will be tight and further adjustments may be necessary.
- U6 Afternoon Route: First Student will cover this route, as it cannot be combined with another route.

## **Driver Updates**

- The U10 route has a new driver who is still gaining experience
- The U4 and U6 drivers stepped down as of December 21.
- We have collaborated with First Student to explore route adjustments and options for combining several routes to meet the needs of the parents in these communities.
