

Class Registration 2025-2026

Dates: February 10-28

- Review enrollment guide and graduation requirements.
- Check college admissions requirements.
- Login to PowerSchool at www.usd385.org and click on the Guardians/Students PowerSchool link to log into your account.
- Click on the Class Registration icon.
- Follow the directions carefully.
- Pay attention to pre-requisite notes. If you do not meet prerequisites, PowerSchool will not allow you to select the class.
- Pick the number of classes allowed.
- If you are picking year-long electives, make sure you pick both semesters – watch the numbers.
- DO NOT REPEAT CLASSES IN THE ALTERNATE SECTION THAT YOU HAVE ALREADY PICKED FOR YOUR FIRST CHOICE! Alternate classes should be entirely different classes.
- When done, click on the submit button. If you did everything as instructed, it will accept your requests. If you left something blank that was not supposed to be left blank, it will not accept any of your choices.
- To view your requests click the View Future Course Requests link on the class registration screen.

See your counselor if you are unable to pick the classes you need or have technology issues. Remember, you can view your grade history on PowerSchool.
