

Business & Entrepreneurship Pathway

Designed for students interested in business!

Learn about business & entrepreneurship in these classes:

- Introduction to Business & Tech
- Entrepreneurship
- Legal Environment in Business

In this pathway, students will:

- ✓ Create their own Shark Tank business and prototype!
- ✓ Utilize classroom equipment to create their own business such as poster maker, Silhouette Cameo, Heat Press, 3D Pen, and a Glow Forge 3D printer.
- ✓ Learn how to write a resume, cover letter, and references, how to make valuable connections with a solid Linked In profile, how to prepare for job interviews, how to network and how to be a good employee.
- ✓ Learn how to be professional during business interactions.
- ✓ Hear from guest speakers in a variety of industries who share experience and wisdom.
- ✓ Enjoy experiential learning.
- ✓ Earn a graduation cord with passing of the EOPA!

Student Testimonials

- A lot of times I find myself thinking that school doesn't teach us anything useful or anything that we'll use in our adult life. Not in this class, this is one of the only classes that prepares you for life. ~**Matteo**
- Class has actual discussions and assignments that are interesting and meaningful while still being fun. ~**Matteo**
- It is a really fun and exciting class that you learn a lot about real life skills in business and management that can help you view the career world from a different perspective ~**Paul**
- Very interactive class that allows for creativity, and you learn about the process of starting a business and the steps you have to take to manage one ~**Ryan, Utsav, Riley**
- Students will learn how to operate in the business environment in a professional way ~**Christian and Dhruv**
- the class will make students prepared for the business world; they will get to meet and interact with workers who provide experience and knowledge about working. ~**Christian and Dhruv**
- Not a traditional class where it's all notes. ~**Alexis**
- Involves projects that bring out your creative side. ~ **Alexis**
- Not extremely time consuming, yet you learn a lot.
